Agency comment sheet		Agency comment sheet	
I. GENERAL INFORMATION AND REQUIREMENTS		I. GENERAL INFORMATION AND REQUIREMENTS	
Section 10 -- Purpose, authority, and responsibilities:		Guide to Circular No. A-34	
Purpose and authority	10.1	What is the purpose of this Circular?	Guide 1.1
Application of instructions	10.2	What laws/regs govern this process?	Guide 1.3
Requirements and modifications	10.3	What laws/regs govern this process?	Guide 1.3
Responsibilities of agencies	10.4	What laws/regs govern this process?	Guide 1.3
Responsibilities of OMB	10.5	What are my responsibilities?	Guide 1.5
Assistance in preparation of schedules	10.6	What are OMB's responsibilities?	Guide 1.4
Responsibilities for disclosure with respect to the budget	10.7	Where can I get help?	Guide 1.6
		What are my responsibilities?	Guide 1.5
Section 11 -- Definitions, concepts, and terminology:		Section 11. Terms and Concepts	
Major phases during budget execution	11.1	What is the budget execution cycle?	1.2
Budgetary resources available for obligation . .	11.2	What special terms must I know?	11.1
Budget authority	11.3	What are unexpended balances of budget authority?	11.2
Balances of budget authority	11.4	When can funds be invested?	23.1
Investments	11.5	How do I treat principal of investments in U.S. securities?	23.2
		How do I treat discounts, premiums and interest on investments in U.S. securities? . .	23.3
		How do I treat investments in securities Issued by non-Federal entities?	23.4
Transfers between two Federal Government accounts	11.6	What kinds of transfers are possible between two Federal accounts?	12.9
		What are nonexpenditure transfers?	12.10
		What are expenditure transfers?	12.11
Spending authority from offsetting collections	11.7	What special terms must I know?	11.1
		What is spending authority from offsetting collections?	12.1
		What are advances and which account should receive the deposit?	12.2
		What are refunds?	12.3
		When may I use a revolving fund?	12.5
		What does the Economy Act allow?	12.6

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
		How should I treat reimbursable work under the Economy Act?	12.7
		When may I accept payments from the public?	12.8
Recoveries of prior year obligations	11.8	What special terms must I know?	11.1
Reductions of budgetary resources	11.9	What is an impoundment?	60.1
Administrative division of funds	11.10	What special terms must I know?	11.1
Obligations	11.11	What is included in obligations?	13.1
		What obligational transactions are classified as personnel compensation and benefits?	13.2
		What obligational transactions are classified as travel and transportation?	13.3
		What obligational transactions are classified as rent, communications, and utilities?	13.4
		What obligational transactions are classified as printing and reproduction, other contractual services, supplies and materials, and equipment?	13.5
		What obligational transactions are classified as lands and structures?	13.6
		What obligational transactions are classified as grants and taxes payable to State and local governments?	13.7
		What obligational transactions are classified as other grants, subsidies, and contributions?	13.8
		What obligational transactions are classified as pensions, annuities, insurance claims, refunds, awards, and indemnities?	13.9
		What obligational transactions are classified as interest and dividends?	13.10
		What obligational transactions are classified as investments?	13.11
		What obligational transactions are classified as guarantees?	13.12
Availability of budgetary resources B the three dimensions	11.12	How can I tell whether the appropriations are legally available?	11.5
Treasury warrants and account identification codes	11.13	What are Treasury warrants and account identification codes?	11.7
U.S. Government security purchased at a discount: Special, trust, and revolving funds	Ex-11A	U.S. Government security purchased at a discount: Special, trust, and revolving funds	Ex-23A
U.S. Government security in Exhibit 11A sold or redeemed at par: Special or trust funds	Ex-11B	U.S. Government security in Exhibit 23A sold or redeemed at par: Special or trust funds	Ex-23B
U.S. Government security in Exhibit 11A sold or redeemed at par: Revolving fund	Ex-11C	U.S. Government security in Exhibit 23A sold or redeemed at par: Revolving fund	Ex-23C
Transfers of budgetary resources among Federal Government accounts	Ex-11D	Transfers of budgetary resources among Federal Government accounts	Ex-23D
Transfers of budgetary resources among		Transfers of budgetary resources among	

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
Federal Government accounts	Ex-11E	Federal Government accounts	Ex- 12
II. AGENCY ACCOUNTING AND FUND CONTROL SYSTEMS		V. FUND CONTROL REGULATIONS	
Section 21 -- General requirements:		Section 50 -- Accounting and internal control systems	
Accounting and internal control systems	21.1	What laws/regs govern this process?	Guide 1.2
Definitions	21.2	Why have accounting and internal control systems?	50.1
Fund control regulations	21.3	What special terms must I know?	11.1
Treatment of anticipated budgetary resources	21.4	What should the regulation do?	50.2
Review and approval of fund control regulations	21.5	How do I treat anticipated budgetary resources?	50.4
		How do I get OMB approval?	50.5
Section 22 -- Requirements for reporting Antideficiency Act violations:		IV. THE ANTIDEFICIENCY ACT	
Adverse personnel actions and penalties	22.1	Section 40 -- Reporting violations	
Requirements to report Antideficiency Act violations	22.2	What is the Antideficiency Act?	40.1
Requirements to report Antideficiency Act violations in credit programs	22.3	What violations must I report?	40.2
Requirements to report Antideficiency Act violations in revolving funds	22.4	How do the requirements for reporting violations differ for credit programs?	40.3
Requirements to report Antideficiency Act violations in closed and expired accounts	22.5	Do the requirements for reporting violations differ for revolving funds?	40.4
Contents of report to the President	22.6	Do the requirements for reporting violations differ for closed and expired accounts?	40.5
Report to the Congress	22.7	How do I report a violation?	40.6
Report on GAO findings	22.8	How do I report a violation?	40.6
OMB-requested investigations and audits	22.9	What if the GAO reports a violation?	40.7
Timing of reports by agency heads	22.10	What if OMB suspects a violation?	40.8
Antideficiency Act violation sample letter to the President	Ex-22	How do I report a violation?	40.6
		Antideficiency Act violation sample letter to the Director	Ex-40A
		Antideficiency Act violation sample letter to the President	Ex-40B
III. APPORTIONMENTS AND REAPPORTIONMENTS		II. APPORTIONMENTS AND REAPPORTIONMENTS	
Section 30 -- Apportionment process and requirements for certain types of accounts:		Section 20 -- The Apportionment/ Reapportionment Process	
Apportionment process	30.1	What is an apportionment?	20.1
Apportionment requirements and exemptions	30.2	What is the purpose of an apportionment/ reapportionment?	20.2
		How does the apportionment/ reapportionment achieve its purpose?	20.3
		What accounts are apportioned?	20.5

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
Allocation (transfer appropriation) accounts	30.3	What accounts are <u>not</u> apportioned?	20.6
		Who is responsible for preparing the apportionment request for allocation (transfer appropriation) accounts?	20.19
The canceled phase: one percent apportionment requirement	30.4	Must I include a footnote regarding the one percent apportionment requirement to cover obligations in the canceled phase?	20.20
Section 31 -- Basis and nature of apportionments:			
Basis of apportionment action	31.1	Are all apportionments based on authority to incur obligations?	20.4
Level of apportionments	31.2	Are apportionments always at the Treasury account level?	20.7
Types of apportionments	31.3	Are apportionments always by fiscal quarter for a single year?	20.8
		Will OMB apportion funds for periods longer than one fiscal year?	20.9
		How do I display funds that are <u>not</u> currently needed?	20.10
Procedures for requesting changes in the level or time periods of apportionments	31.4	How do I request a change in the level or time periods of an apportionment?	20.11
		Do unobligated resources apportioned in earlier time periods of the same fiscal year remain available?	20.12
Apportionment of available balances	31.5	Must I request that funds apportioned in one fiscal year be apportioned in the next fiscal year if the funds were <u>not</u> obligated and remain available?	20.13
		What is the status of previously approved apportionments when a new apportionment is approved, either in the same or a subsequent fiscal year?	20.14
		What is the status of an apportionment that has been approved before the beginning of a fiscal year for a program covered by a continuing resolution?	20.15
		What transactions will be covered by apportionments approved after a continuing resolution has been replaced by an enacted appropriation?	20.16
Legality of using funds	31.6	Can I use an apportionment to resolve legal issues about availability of funds?	20.17
OMB approval of comments on the apportionment	31.7	How does OMB indicate its approval or disapproval of comments on the apportionment?	20.18

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
Section 32 -- Apportionment of amounts appropriated under continuing resolutions:		Section 24 -- Apportionments Under Continuing Resolutions	
Apportionment of amounts appropriated under continuing resolutions	32.1	What is a continuing resolution?	24.1
		How do I determine the amount available for obligation under a continuing resolution? . . .	24.2
		Do the amounts made available for obligation remain available for obligation after a continuing resolution expires?	24.3
		Does the continuing resolution limit the purposes for which money may be obligated?	24.4
		Am I required to submit an apportionment request while I am funded by a continuing resolution?	24.5
		Are my credit programs funded under a continuing resolution?	24.6
		Do I need to request a reapportionment after my regular appropriation is enacted?	24.7
		Will my regular appropriations cover obligations made during the continuing resolution?	24.8
		Section 26 - Agency Operations in the Absence of Appropriations	
Operations under funding hiatus	32.2	What types of actions may my agency conduct during a funding hiatus?	26.1
		What plans should my agency make in anticipation of a funding hiatus?	26.2
		When should agency shutdown plans be implemented?	26.3
Section 33 -- Basis of apportionment requests:		Section 21 -- Apportionment/Reapportionment Requests	
Basing requests on financial plans	33.1	Why must I base my apportionment/reapportionment requests on financial plans?	21.1
		Will I show the same level of detail in my financial plan from year-to-year?	21.2
		Do I need to explain how I developed my financial plan?	21.3
Requests anticipating the need for supplemental authority	33.2	When do I submit requests anticipating the need for supplemental authority?	21.18

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
Section 34 -- Apportionment and reapportionment procedures:			
Use of SF 132	34.1	What format is used for the apportionment request?	21.5
		Can I combine accounts on the apportionment?	21.7
Coverage of the SF 132	34.2	Will comments and attachments become part of the apportionment?	21.8
Timing of initial apportionments	34.3	When are initial apportionments due at OMB?	21.9
		How can I expedite OMB approval of my apportionment request?	21.13
		What program changes will require that I submit a reapportionment request to OMB?	21.15
Reapportionments	34.4	What adjustments can I make without submitting a reapportionment request?	21.16
Adjustments not requiring submission of a reapportionment request	34.5	How do I treat automatic adjustments on subsequent reapportionment requests?	21.17
Treatment of automatic adjustments on reapportionment requests	34.6	What supporting data should I include with the apportionment request?	21.4
Supporting data	34.7	Will OMB request FTE plans to support the apportionment request?	21.5
		Should I assemble apportionment requests for multiple accounts in a single package?	21.12
Number of Copies	34.8	How many copies should I submit?	21.11
Signature	34.9	Who can sign the apportionment request?	21.10
Action by OMB	34.10	How will OMB indicate its approval of my apportionment request?	21.19
Sample FTE plan	Ex-34	Sample FTE plan	Ex-21
Section 35 -- Explanation of Standard Form 132, Apportionment and Reapportionment Schedule:		Section 22 -- The SF 132, Apportionment and Reapportionment Schedule	
Explanation of form and line entries	35.1	How is the SF 132 organized?	22.1
One-year appropriation -- initial apportionment	Ex-35A	One-year appropriation -- initial apportionment	Ex-22A
No-year appropriation -- initial apportionment	Ex-35B	No-year appropriation -- initial apportionment	Ex-22B
No-year appropriation -- reapportionment	Ex-35C	No-year appropriation -- reapportionment	Ex-22C
Appropriations under continuing resolution ..	Ex-35D	Appropriations under continuing resolution ..	Ex-22D
Appropriations and unobligated balances under continuing resolution	Ex-35E	Appropriations and unobligated balances under continuing resolution	Ex-22E
Reapportionment following a continuing resolution	Ex-35F	Reapportionment following a continuing resolution	Ex-22F
Public enterprise (revolving) or intragovernmental (revolving) fund Reapportionment	Ex-35G	Public enterprise (revolving) or intragovernmental (revolving) fund -- Reapportionment	Ex-22G
Trust fund limitation	Ex-35H	Trust fund limitation	Ex-22H
Negative amount due to reduced unobligated balance	Ex-35I	Negative amount due to reduced unobligated balance	Ex-22I

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
Multiple-year account apportioned in two fiscal years	Ex-35J	Multiple-year account apportioned in two fiscal years	Ex-22J
		Trust fund with contract authority, appropriation to liquidate contract authority, and obligation limitation	Ex-22K
		Trust fund with unavailable collections	Ex-22L
Section 37 -- Explanation of Standard Form 132 for rescissions and deferrals:		VI. RESCISSION AND DEFERRAL REPORTS	
		Section 60 -- The Process	
		Section 61 -- Preparing the Report	
General information	37.1	What is an impoundment?	60.1
		When are funds deferred or proposed for rescission?	60.2
Use of SF 132	37.2	How do I reflect the deferral or the proposed Rescission on the SF 132?	61.2
Section 38 -- Preparation of rescission, deferral, and supplemental reports:		Section 60 -- The Rescission and Deferral Process	
		Section 61 -- Preparing the Report	
Instructions on preparing rescission, deferral, and supplementary reports	38.1	What do I put on the different lines of rescission, deferral, and supplementary reports?	61.1
Reports to Congress	38.2	What materials are sent to Congress?	60.3
Materials required for special messages	38.3	What materials do I submit for inclusion in a special message for a rescission proposal?	60.5
		What materials do I submit for inclusion in a special message for a deferral?	60.6
		What narrative information do I need to include with rescission or deferral reports?	60.7
		What am I required to do when a previously reported deferral or rescission proposal changes?	60.8
Materials required for supplementary messages	38.4	What information is required for the supplementary report?	60.9
		What should I do to help OMB prepare cumulative reports?	60.11
Cumulative reports	38.5	When do I need to submit material to OMB?	60.4
Timing of submissions to OMB	38.6	What are OMB's responsibilities in preparing these special messages?	60.10
OMB responsibilities	38.7	What are my responsibilities after a deferral is reported to Congress?	60.12
Review of deferrals	38.8	How do I treat proposals to lower limitations on trust or revolving funds?	60.16
Proposals to lower limitations on trust or revolving funds	38.9	What apportionment action is required when a rescission is enacted?	60.13
Apportionment action following enactment of rescissions	38.10		

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
		What apportionment action is required when a rescission is <u>not</u> enacted?	60.14
Release of withholdings necessitated by congressional action or inaction	38.11	What apportionment action is required when a deferral is disapproved?	60.15
Rescission report -- simple rescission proposal	Ex-38A	Rescission report -- simple rescission proposal	Ex-61A
Apportionment or reapportionment request for rescission proposal reported in Exhibit 38A	Ex-38B	Apportionment or reapportionment request for proposal reported in Exhibit 61A	Ex-61B
Deferral report	Ex-38C	Deferral report	Ex-61C
Apportionment or reapportionment request for deferral reported in Exhibit 38C	Ex-38D	Apportionment or reapportionment request for deferral reported in Exhibit 61C	Ex-61D
Revised deferral report -- revision of deferral reported in Exhibit 38C	Ex-38E	Revised deferral report - revision of deferral reported in Exhibit 61C	Ex-61E
Apportionment or reapportionment request for revised deferral reported in Exhibit 38E . . .	Ex-38F	Apportionment or reapportionment request for revised deferral reported in Exhibit 61E	Ex-61F
Apportionment or reapportionment request for deferral reported in Exhibits 38C-F overturned by Congress	Ex-38G	Apportionment or reapportionment request for deferral reported in Exhibits 61C-F overturned by Congress	Ex-61G
Apportionment or reapportionment request for congressionally-initiated	Ex-38H	Apportionment or reapportionment request for Congressionally-initiated deferral for account illustrated in Exhibit 61C	Ex-61H
Section 39 -- Special transactions:		Section 23 -- Application of investments transactions:	
		Section 24 -- Foreign currency transactions	
Foreign currency: Apportionments and reports	39.1	How do I apportion foreign currency fund accounts?	21.19
Funds appropriated to the President	39.2	How are funds appropriated to the President distributed to agencies?	21.20
IV. REPORTS ON BUDGET EXECUTION		III. BUDGET EXECUTION REPORTS	
Section 41 -- SF 133, Report on budget execution:		Section 30 -- General background	
Purpose and structure	41.1	What is the purpose of the SF 133 and how is it organized?	30.1
General requirements	41.2	What are the general requirements for submitting SF 133s?	30.2
Budgetary resources	41.3	How do I report budgetary resources?	30.3
Status of budgetary resources	41.4	How do I report the status of budgetary resources?	30.4
Relation of obligations to outlays	41.5	How do I report the relation of obligations to outlays?	30.5
The expired phase	41.6	What should I report during the expired phase?	30.6
		How do I report adjustments to expired accounts?	30.7

Former section title	Former Sec./Ex. No.	New section title	New Sec./Ex. No.
		What must I do when I have extended disbursement authority?	30.8
Expired accounts being closed	41.7	How do I report expired accounts that are being closed?	30.9
The canceled phase	41.8	What disbursements can I make during the canceled phase?	30.10
Non-standard reporting	41.9	How do I submit non-standard reports?	30.11
Lower levels of detail	41.10	How do I report lower levels of detail?	30.12
Allocation accounts	41.11	How do I submit an SF 133 for allocation accounts?	30.13
Credit financing accounts	41.12	How do I submit an SF 133 for credit accounts?	30.14
Consistency with actuals reported to Treasury and in Budget	41.13	How do I ensure that my actuals are consistent?	30.15
Annual account -- September 30 report	Ex-41A	Annual Account -- September 30 report	Ex-30A
Annual account with reimbursements -- September 30 report	Ex-41B	Annual Account with reimbursements -- September 30 report	Ex-30B
