Guide to the Circular		
What is the purpose of this Circular?	Guide 1.1	Guide 1.1
What is the budget execution process?	Guide 1.2	Guide 1.2
What laws and regulations govern this process?	Guide 1.3	Guide 1.3
What are OMB's responsibilities?	Guide 1.4	Guide 1.4
What are my responsibilities?	Guide 1.5	Guide 1.5
Where can I get help?	Guide 1.6	Guide 1.6
Analysis of changes		xv
Crosswalk to the new structure of the 2000 revision		xvii
Agency comment sheet		xxvii
I. GENERAL INFORMATION		
Section 11 -- Terms and Concepts		
What special terms must I know when I use this Circular?	11.1	1
What are unexpended balances of budget authority?	11.2	6
What are reimbursable obligations?	11.3	7
Are all outlays in the form of cash reimbursements?	11.4	7
How can I tell whether appropriations are legally available?	11.5	8
What are the phases of availability for annual and multi-year appropriations?	11.6	10
What are Treasury warrants and account identification codes?	11.7	10
Section 12 -- Spending Authority from Offsetting Collections and Transfers		
<i>Spending Authority from Offsetting Collections</i>		
What is spending authority from offsetting collections?	12.1	15
What are advances and which account should receive the deposit?	12.2	15
What are refunds?	12.3	16
What types of laws allow me to use advances or reimbursements that I collect in return for providing others with goods and services?	12.4	16
When may I use a revolving fund?	12.5	17
What does the Economy Act allow?	12.6	17
How should I treat reimbursable work with another Federal agency under the Economy Act?	12.7	17
When may I accept payments from the public?	12.8	18
<i>Transfers</i>		
What kinds of transfers are possible between two Federal accounts?	12.9	18
What are nonexpenditure transfers?	12.10	19
What are expenditure transfers?	12.11	20
Transfers of Budgetary Resources Among Federal Government Accounts	Ex-12	21
Section 13 -- Application of Obligations		
What are included in obligations?	13.1	23

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
What obligational transactions are classified as personnel compensation and benefits?	13.2	23
What obligational transactions are classified as travel and transportation?	13.3	24
What obligational transactions are classified as rent, communications, and utilities?	13.4	25
What obligational transactions are classified as printing and reproduction, other contractual services, supplies and materials, and equipment?	13.5	25
What obligational transactions are classified as lands and structures? . .	13.6	27
What obligational transactions are classified as grants and taxes payable to State and local governments?	13.7	27
What obligational transactions are classified as other grants, subsidies, and contributions?	13.8	28
What obligational transactions are classified as pensions, annuities, insurance claims, refunds, awards, and indemnities?	13.9	29
What obligational transactions are classified as interest and dividends? .	13.10	29
What obligational transactions are classified as investments?	13.11	29
What obligational transactions are classified as guarantees?	13.12	29

II. APPORTIONMENTS AND REAPPORTIONMENTS

Section 20 -- Apportionment/Reapportionment Process

Introduction to Apportionments

What is an apportionment?	20.1	32
What is the purpose of the apportionment process?	20.2	32
What types of resources are apportioned by OMB?	20.3	32
Are all apportionments based on authority to incur obligations?	20.4	33

Apportionments by Account

What accounts are apportioned?	20.5	33
What accounts are <u>not</u> apportioned?	20.6	33
Are apportionments always at the Treasury fund account level?	20.7	34
What categories does OMB use to apportion funds?	20.8	34

Apportionments by Time Period

Will OMB apportion funds for periods longer than one fiscal year? . . .	20.9	34
How do I display funds that are <u>not</u> currently needed?	20.10	35
How do I request changes in the level or time periods of an apportionment?	20.11	35
Do unobligated resources apportioned in earlier time periods of the same fiscal year remain available?	20.12	35
Must I request that funds apportioned in one fiscal year be apportioned in the next fiscal year if the funds were <u>not</u> obligated and remain available?	20.13	35
What is the status of previously approved apportionments when a new apportionment is approved, either in the same or a subsequent fiscal year?	20.14	35
What is the status of an apportionment that has been approved before the beginning of a fiscal year for a program covered by a continuing resolution?	20.15	36

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
What transactions will be covered by apportionments approved after a continuing resolution has been replaced by an enacted appropriation?	20.16	36
<i>Other Apportionment Issues</i>		
Can I use an apportionment to resolve legal issues about the availability of funds?	20.17	36
How does OMB indicate its approval or disapproval of comments on the apportionment?	20.18	36
Who is responsible for preparing the apportionment request for allocation (transfer appropriation) accounts?	20.19	36
Must I include a footnote regarding the one percent apportionment requirement to cover obligations in the canceled phase?	20.20	37
Section 21 -- Apportionment/Reapportionment Requests		
Why must I base my apportionment/reapportionment requests on financial plans ?	21.1	40
Will I show the same level of detail in my financial plan from year-to-year?	21.2	40
Do I need to explain how I developed my financial plan?	21.3	40
What supporting data should I include with the apportionment request?	21.4	40
Will OMB request FTE plans to support the apportionment request?	21.5	40
<i>Preparing the Apportionment /Reapportionment Request</i>		
What format is used for the apportionment request?	21.6	40
Can I combine accounts on the apportionment?	21.7	40
Will comments and attachments become part of the apportionment?	21.8	41
When are initial apportionments due at OMB?	21.9	41
Who can sign the apportionment request?	21.10	41
How many copies should I submit?	21.11	42
Should I assemble apportionment requests for multiple accounts in a single package?	21.12	42
How can I expedite OMB approval of my apportionment request?	21.13	42
How will OMB indicate its approval of my apportionment request?	21.14	42
What program changes will require that I submit a reapportionment request to OMB?	21.15	42
What adjustments can I make without submitting a reapportionment request?	21.16	43
How do I treat automatic adjustments on subsequent reapportionment requests?	21.17	44
<i>Apportionments in Special Circumstances</i>		
When do I submit requests anticipating the need for supplemental authority?	21.18	44
How do I apportion foreign currency fund (FT) accounts?	21.19	45
How are funds appropriated to the President distributed to agencies?	21.20	45
Sample FTE plan	Ex-21	47
Section 22 -- The SF 132, Apportionment and Reapportionment Schedule		
How is the SF 132 organized?	22.1	50
<i>When Your Appropriations are Enacted in a Timely Manner</i>		
One-Year Appropriation Initial Apportionment	Ex-22A	63
No-Year Appropriation Initial Apportionment	Ex-22B	64

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
No-Year Appropriation - Reapportionment <i>When You Operate Under a Continuing Resolution</i>	Ex-22C	65
One-year Appropriations Under Continuing Resolution	Ex-22D	66
Appropriations and Unobligated Balances Under Continuing Resolution	Ex-22E	67
Reapportionment Following a Continuing Resolution <i>When You Encounter Unusual Circumstances</i>	Ex-22F	68
Public Enterprise (Revolving) or Intragovernmental (Revolving) Fund -- Reapportionment	Ex-22G	69
Trust Fund Limitation	Ex-22H	70
Negative Amount Due to Reduced Unobligated Balance	Ex-22I	71
Multiple-Year Account -- Apportionment in Two Fiscal Years	Ex-22J	72
Trust Fund with Contract Authority, Appropriation to Liquidate Contract Authority, and Obligation Limitation	Ex-22K	73
Trust Fund (or Special Fund) with Collections Precluded from Obligation	Ex-22L	74
Section 23 -- Investment Transactions		
When can funds be invested?	23.1	75
How do I treat principal of investments in U.S. securities?	23.2	75
How do I treat discounts, premiums and interest on investments in U.S. securities?	23.3	76
How do I treat investments in securities issued by non-Federal entities?	23.4	78
U.S. Government security purchased at a discount: Special, trust, and revolving funds	Ex-23A	79
U.S. Government security in Exhibit 23A sold or redeemed at par: Special or trust funds	Ex-23B	80
U.S. Government security in Exhibit 23A sold or redeemed at par: Revolving fund	Ex-23C	81
U.S. Government security in Exhibit 23A purchased at a premium: Revolving fund	Ex-23D	82
Section 24 -- Apportionments Under Continuing Resolutions		
What is a continuing resolution?	24.1	83
How do I determine the amount available for obligation under a continuing resolution?	24.2	83
Do the amounts made available for obligation remain available after the continuing resolution expires?	24.3	84
Does the continuing resolution limit the purposes for which funds may be obligated?	24.4	84
Am I required to submit an apportionment request while I am funded by a continuing resolution?	24.5	84
Are my credit programs funded under a continuing resolution?	24.6	85
Do I need to request a reapportionment after my regular appropriation is enacted?	24.7	85
Will my regular appropriations cover obligations made during the continuing resolution?	24.8	85
Section 25 -- Agency Operations in the Absence of Appropriations		
What types of actions may my agency conduct during a funding hiatus?	25.1	87
What plans should my agency make in anticipation of a funding hiatus?	25.2	87
When should my agency shutdown plans be implemented?	25.3	88

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
III. BUDGET EXECUTION REPORTS		
Section 30 -- General Background		
<i>Overview</i>		
What is the purpose of the SF 133 and how is it organized?	30.1	90
What are the general requirements for submitting SF 133s?	30.2	91
<i>Detailed Guidance</i>		
How do I report budgetary resources?	30.3	92
How do I report the status of budgetary resources?	30.4	104
How do I report the relation of obligations to outlays?	30.5	107
What should I report during the expired phase?	30.6	109
How do I report adjustments to expired accounts?	30.7	110
What must I do when I have disbursement authority?	30.8	111
How do I report expired accounts that are being closed?	30.9	111
What disbursements can I make during the canceled phase?	30.10	111
<i>Special Requirements</i>		
How do I submit non-standard reports?	30.11	112
How do I report lower levels of detail?	30.12	112
How do I submit an SF 133 for allocation accounts?	30.13	113
How do I submit an SF 133 for credit accounts?	30.14	113
How do I ensure that my actuals are consistent?	30.15	113
Annual Account - September 30 Report	Ex-30A	116
Annual Account with Reimbursements -- September 30 Report	Ex-30B	117
No-Year Account -- Quarterly Report	Ex-30C	118
Multi-year Account Apportioned for Two Fiscal Years	Ex-30D	119
Public Enterprise (Revolving) or Intragovernmental (Revolving) Fund -- Quarterly Report	Ex-30E	120
Annual Account -- Advance Appropriation	Ex-30F	121
Annual Account -- Reappropriation	Ex-30G	122
Chart of SF 133 General Requirements	Ex-30H	123
SF 133 Outlay Formula	Ex-30I	124
Crosswalk from the SF 133 to the Treasury Annual Report	Ex-30J	125
Crosswalk from the SF 133 to the Budget P&F Schedule	Ex-30K	126
Trust Fund (or Special Fund) with Collections Precluded from Obligation	Ex-30L	130
IV. THE ANTIDEFICIENCY ACT		
Section 40 -- Requirements for Reporting Antideficiency Act Violations		
What is the Antideficiency Act?	40.1	131
What violations must I report?	40.2	132
How do the requirements for reporting violations differ for credit programs?	40.3	132
Do the requirements for reporting violations differ for revolving funds? Do the requirements for reporting violations differ for closed and expired accounts?	40.4	133
How do I report a violation?	40.5	133
What if the GAO reports a violation?	40.6	133
What if OMB suspects a violation?	40.7	134
What if OMB suspects a violation?	40.8	135
Antideficiency Act violation Sample Letter to the Director	Ex-40A	136
Antideficiency Act violation Sample Letter to the President	Ex-40B	137

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
V. FUND CONTROL REGULATIONS		
Section 50 -- Administrative Control of Funds		
Why must my agency have a fund control system?	50.1	139
What is the purpose of my agency's fund control system?	50.2	139
What is the relationship among my agency's management controls, its internal controls, and its fund controls?	50.3	140
What is the relationship between my agency's financial management system and its fund control system?	50.4	140
What is the U.S. Standard General Ledger (SGL) and how does it relate to my agency's financial management system?	50.5	140
What are Federal Financial Management Systems requirements and how are they related to my agency's fund control systems?	50.6	141
When and how should I get OMB approval of my agency's fund control regulations?	50.7	141
VI. RECISSION AND DEFERRAL REPORTS		
Section 60 -- The Recission and Deferral Process		
<i>Before the President transmits a special message</i>		
What is an impoundment?	60.1	143
When are funds deferred or proposed for rescission withheld from obligation?	60.2	144
What materials are sent to the Congress?	60.3	144
When do I need to submit material to OMB?	60.4	144
What materials do I submit for inclusion in a special message for a rescission proposal?	60.5	145
What materials do I submit for inclusion in a special message for a deferral?	60.6	145
What narrative information do I need to include with rescission or deferral reports?	60.7	145
What am I required to do when a previously reported deferral or rescission proposal changes?	60.8	146
What information is required for the supplementary report?	60.9	146
What are the responsibilities of OMB in preparing special messages?	60.10	147
<i>After the President transmits a special message</i>		
What should I do to help OMB prepare cumulative reports?	60.11	147
What are my responsibilities after a deferral is reported to Congress?	60.12	147
What apportionment action is required when a rescission is enacted?	60.13	148
What apportionment action is required when a rescission is <u>not</u> enacted?	60.14	148
What apportionment action is required when a deferral is disapproved?	60.15	148
<i>Limitations on trust and special funds</i>		
How do I treat proposals to lower limitations on trust or revolving funds?	60.16	149
Section 61 -- Preparing a Rescission, Deferral, or Supplementary Report		
What do I include on the different lines of the rescission, deferral, and supplementary reports?	61.1	151
How do I reflect the deferral or the proposed rescission on the SF 132?	61.2	154
Rescission Report -- Simple Rescission Proposal	Ex-61A	156
Apportionment or Reapportionment Request for Rescission Proposal		

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
Reported in Exhibit 61A	Ex-61B	157
Deferral Report	Ex-61C	158
Apportionment or Reapportionment Request for Deferral Reported in Exhibit 61C	Ex-61D	159
Revised Deferral Report -- Revision of Deferral Reported in Exhibit 61C	Ex-61E	160
Apportionment or Reapportionment Request for Revised Deferral Reported in Exhibit 61E	Ex-61F	162
Apportionment or Reapportionment Request for Deferral Reported in Exhibits 61C-F Overturned by Congress	Ex-61G	163
Apportionment or Reapportionment Request for Congressionally-Initiated Deferral for Account Illustrated in Exhibit 22C	Ex-61H	164
 VII. FEDERAL CREDIT PROGRAMS		
Section 70 -- Federal Credit Programs		
Does this section apply to me?	70.1	166
What special terms must I know?	70.2	167
Are there special requirements for reporting Antideficiency Act violations?	70.3	176
<i>Apportionment</i>		
Must credit accounts be apportioned?	70.4	176
When do I submit an apportionment request (SF 132)?	70.5	176
How do I fill out the SF 132?	70.6	177
Do amounts for an upward reestimate (and the interest on the reestimate) need to be apportioned?	70.7	177
Do amounts for a downward reestimate (and the interest on the reestimate) need to be apportioned?	70.8	177
Do amounts for interest payments to Treasury need to be apportioned? ..	70.9	178
Do amounts for debt repayments to Treasury need to be apportioned? ..	70.10	178
How do I handle modifications?	70.11	178
<i>Budget Execution</i>		
Am I required to submit budget execution reports (SF 133)?	70.12	179
How do I fill out the SF 133?	70.13	179
How do I calculate the initial subsidy cost estimate for execution?	70.14	179
What transactions do I report when the Government incurs direct loan obligations or makes loan guarantee commitments?	70.15	180
What transactions do I report when the Government disburses a direct loan or a private lender disburses a guaranteed loan?	70.16	181
How do I handle non-subsidy cost collections?	70.17	181
What transactions do I report when a guaranteed loan defaults?	70.18	182
What should I do with unobligated balances in the liquidating account? ..	70.19	183
How do I report modifications of post-1991 direct loans and loan guarantees?	70.20	183
How do I report modifications of pre-1992 direct loans and loan guarantees?	70.21	184
<i>Interest Expense and Income</i>		
Why do financing accounts borrow from Treasury?		
Why do financing accounts earn interest?	70.22	184

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
Who calculates interest expense and income?	70.23	185
When do I calculate interest expense and income?	70.24	185
What interest rate do I use to calculate interest expense and income? . .	70.25	185
<i>Credit Reporting Examples</i>	70.26	185
How are these exhibits related?		
Standard Appropriations Language	70.27	186
<i>Apportionment and Reapportionment</i>	Ex-70A	187

	Ex-70P	208

VIII. OTHER REPORTS

Section 80 -- Procedures for Monitoring Federal Outlays

What is the purpose for these procedures?	80.1	211
Who is required to submit a plan?	80.2	212
What are the general reporting requirements?	80.3	212
What are the reporting requirements for large transactions?	80.4	212
What are the requirements for trust fund reporting?	80.5	214
What are the requirements for financing account reporting?	80.6	214
What are the requirements for asset sale reporting?	80.7	216
What are the responsibilities of OMB and the Treasury Department? . .	80.8	216
When do I submit reports?	80.9	217
Reports on Outlays Agency and Program Coverage	Ex-80A	218
Reports on Outlays Initial Report	Ex-80B	220
Trust Fund Reporting Format	Ex-80C	221
Financing Account Reporting Format	Ex-80D	222
Asset Sales Reporting Format	Ex-80E	223

Section 81 -- Reports on Unvouchered Expenditures

What are unvouchered expenditures?	81.1	225
Are there any exemptions?	81.2	225
What is the basis for coverage?	81.3	225
What are the requirements for submission?	81.4	226

<i>Title</i>	<i>Sec./Ex. No.</i>	<i>Page</i>
What are OMB's responsibilities?	81.5	226
