

DEPARTMENT OF THE INTERIOR**BIA CROSS-CUTTING SECTION****INTRODUCTION**

This section contains compliance requirements that apply to more than one program of the Bureau of Indian Affairs (BIA) in the Department of the Interior (DOI) because of requirements set forth in (1) the Indian Self Determination and Education Assistance Act (ISDEAA), as amended, and the Tribally Controlled Schools Act and (2) Section 111 of the Department of the Interior and Related Agencies Appropriations Act, 1999, (Pub. L. No. 105-277) regarding the investment and deposit of BIA funds advanced to tribal organizations pursuant to the provisions of the ISDEAA and Tribally Controlled Schools Act of 1988. The compliance requirements in this Cross-Cutting Section reference the applicable programs in Part 4, Agency Compliance Requirements. Similarly, the applicable programs in Part 4 reference this Cross-Cutting Section.

CFDA # Program Name**ISDEAA Programs**

15.021	Consolidated Tribal Government Program
15.022	Tribal Self-Governance
15.030	Indian Law Enforcement

Tribally Controlled Schools Act

15.042	Indian School Equalization Program
--------	------------------------------------

I. PROGRAM OBJECTIVES

The ISDEAA, of which the Tribal Self-Governance Act is part, was implemented to establish meaningful Indian self-determination that will permit an orderly transition from the Federal domination of programs for, and services to, Indians to effective and meaningful participation by the Indian people in the planning, conduct, and administration of those programs and services. The Tribally Controlled Schools Act provides a grant process for the operation of schools funded by the BIA.

II. PROGRAM PROCEDURES

The ISDEAA and the Tribally Controlled Schools Act allow tribal organizations to draw down funds in advance of need. The frequency and timing of the drawdowns are set forth in the statutes. The provision for advancing funds is to ensure sufficient capital for the delivery of program services.

The Tribal Self-Governance Act provides for advance payments to tribes and tribal consortia in the form of annual or semiannual payments at the discretion of the tribes (25 USC 458cc (g)(2)).

The ISDEAA provides for payments to Indian tribes and tribal organizations on a quarterly basis, in a lump-sum payment, or as semiannual payments or any other payment method authorized by law with such method as may be requested by the tribe or tribal organization (25 USC 450l(c)(b)(6)(B)(i)). The Tribally Controlled Schools Act provides for two payments per year: the first payment to be made not later than July 15 and the second payment not later than December 1 (25 USC 2507(a)(1)).

Regarding the use of these funds prior to their expenditure for the purposes for which they were intended, the Congress provided specific guidance in Section 111 of the Department of the Interior and Related Agencies Appropriations Act, 1999, Pub. L. No. 105-277, that allows these funds to be invested. Indian tribes and tribal organizations are not accountable to the BIA for the income earned from these investments.

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look to Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

B. Allowable Costs/Costs Principles

BIA programs in this Supplement that this section applies to are: Consolidated Tribal Government Program (15.021); and Indian Law Enforcement (15.030).

Indian tribes and tribal organizations may without the approval of the BIA expend funds provided under a self-determination contract for purposes identified in 25 USC 450j-1(j), including the following, to the extent that the expenditure of the funds is supportive of a contracted program (25 USC 450j-1(j)).

1. Building, realty, and facilities costs, including rental costs or mortgage expenses.
2. Automated data processing and similar equipment or services.
3. Costs for capital assets and repairs.
4. Costs incurred to raise funds or contributions from non-Federal sources for the purpose of furthering the goals and objectives of the self-determination contract.
5. Interest expenses paid on capital expenditures such as buildings, building renovation or acquisition or fabrication of capital equipment, and interest expenses on loans necessitated due to delays by the Secretary in providing funds under a contract.
6. Expenses of a governing body of a tribal organization that are attributable to the management or operation of programs under ISDEAA.

H. Period of Availability of Federal Funds

BIA programs in this Supplement that this section applies to are: Consolidated Tribal Government Program (15.021); Tribal Self-Governance (15.022); Indian Law Enforcement (15.030); and Indian School Equalization Program (15.042).

Any funds appropriated under an ISDEAA contract or compact or a Tribally Controlled Schools Act grant are available until expended (25 USC 450(c)(b)(9) and 25 USC 2507(b)(1)).

1. Investment and Deposit of Advance Funds

BIA programs in this Supplement that this section applies to are: Consolidated Tribal Government Program (15.021); Tribal Self-Governance (15.022); Indian Law Enforcement (15.030); and Indian School Equalization Program (15.042).

Compliance Requirement - A tribe, tribal organization, or consortia receiving advance payments under the ISDEAA or the Tribally Controlled Schools Act may invest advance payments, before such funds are expended for the purposes of the grant, contract, or funding agreement, so long as such funds are (1) invested in obligations of the United States or in obligations or securities that are guaranteed or insured by the United States, or mutual (or other) funds registered with the Securities and Exchange Commission and which only invest in obligations of the United States or securities that are guaranteed or insured by the United States or (2) deposited in accounts that are insured by an agency or instrumentality of the United States, or are fully collateralized to ensure protection of the advance funds, even in the event of a bank failure (Section 111 of the Department of the Interior and Related Agencies Appropriations Act of 1999, Pub. L. No. 105-277).

Audit Objective - Determine whether Indian tribes, tribal organizations, or consortia are properly investing or depositing advanced funds.

Suggested Audit Procedures

- a. Obtain and review tribal policies and procedures for the investment and deposit of funds.
- b. Review unused advances during the audit period and verify that unused funds were properly invested or deposited throughout the period.

DEPARTMENT OF THE INTERIOR

CFDA 15.021 CONSOLIDATED TRIBAL GOVERNMENT PROGRAM

I. PROGRAM OBJECTIVES

The objective of the Consolidated Tribal Government Program is to provide funds for certain programs of an ongoing nature to Indian Tribal Governments in a manner which minimizes program administrative requirements and maximizes flexibility.

II. PROGRAM PROCEDURES

The Bureau of Indian Affairs (BIA) makes direct payments to Federally Recognized Indian Tribal Governments to carry out a variety of activities for which appropriations are made within the Tribal Priority Allocations activity of the BIA budget. For example, Scholarships, Johnson O'Malley, Job Placement and Training, and Agricultural Extension could be combined under a single contract for education and training. This allows tribal contractors greater flexibility in planning their programs and meeting the needs of their people. The simplified contracting procedures and reduction of tribal administrative costs allow for increased services under these contracts.

Source of Governing Requirements

The program is authorized by the Indian Self-Determination and Education Assistance Act (ISDEAA), Title I, Pub. L. No. 93-638, as amended (25 USC 450 *et seq.*).

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look at Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

Certain compliance requirements which apply to multiple BIA programs are discussed once in the BIA Cross-Cutting Section of this Supplement (page 4-15.000-1) rather than repeating in each individual program.

A. Activities Allowed or Unallowed

The ISDEAA provides for the expenditure of funds by Indian tribes and tribal organizations under self-determination contracts for programs and activities previously provided by the BIA. Funds may be used for a variety of programs and services that the Federal government otherwise would have provided directly. The specific activities allowed will be indicated in the self-determination contract between the tribal organization and the Secretary of the Interior (25 USC 450f). While the tribe or tribal organization may propose to redesign the program or activity, such redesign must be approved by the BIA (25 USC 450j(j)).

CFDA 15.022 TRIBAL SELF-GOVERNANCE

I. PROGRAM OBJECTIVES

The objective of the Tribal Self-Governance program is to further the goals of Indian Self-Determination by providing funds to Indian tribes to administer a wide range of programs with maximum administrative and programmatic flexibility.

II. PROGRAM PROCEDURES

The Tribal Self-Governance Act of 1994 (25 USC 458aa *et seq.*) established tribal self-governance as a permanent option for tribal governments. Under tribal self-governance, Indian tribes have greater control and flexibility in the use of funds, reduced reporting requirements, and authority to redesign or consolidate programs, services, functions, and activities. Tribes are selected from an applicant pool upon meeting certain eligibility requirements.

The Office of Self-Governance makes direct payments to Federally Recognized Indian Tribal Governments and tribal consortia authorized by Federally Recognized Indian Tribal Governments. Funds may be used to support tribal programs such as law enforcement, social services, welfare payments, natural resource management and enhancement, housing improvement, and road maintenance (25 USC 458cc(b)).

Source of Governing Requirements

The program is authorized by the Indian Self-Determination and Education Assistance Act (ISDEAA), Title IV, Pub. L. No. 93-638, as amended (25 USC 458aa *et seq.*).

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look at Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

Certain compliance requirements which apply to multiple Bureau of Indian Affairs (BIA) programs are discussed once in the BIA Cross-Cutting Section of this Supplement (page 4-15.000-1) rather than repeating in each individual program.

A. Activities Allowed or Unallowed

The ISDEAA provides for the expenditure of funds by Indian tribes and tribal organizations under self-determination contracts or annual funding agreements for programs and activities previously provided by the BIA. Funds may be used for a variety of programs and services that the Federal government otherwise would have provided

directly. The specific activities allowed will be indicated in the funding agreement between the tribal organization and the Secretary of the Interior (25 USC 458cc(b) and (c)). Indian tribes and tribal consortia are provided latitude in redesigning programs and activities. However, such redesign is limited to programs covered by the annual funding agreement (25 USC 458cc(b)(3)).

II. PROGRAM PROCEDURES

The Bureau of Indian Affairs (BIA) makes direct payments to Federally Recognized Indian Tribal Governments exercising Federal criminal law enforcement authority over crime under the Major Crimes Act (18 USC 1153) on their reservations. Funds may be used for salaries and related expenses of criminal investigators, uniformed officers, detention officers, radio dispatchers, and administrative support.

Source of Governing Requirements

Availability of Other Program Information

Part 40 of the Indian Affairs Manual provides information applicable to all law enforcement programs operated by an Indian tribe or tribal organization under a Self-Determination contract. Part 40 does not apply to Indian tribes which have negotiated Self-Governance compacts. The manual is available on the Internet (<http://www.doi.gov/bia/iams/iamtoc.htm>).

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look at Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

Certain compliance requirements which apply to multiple BIA programs are discussed once in the BIA Cross-Cutting Section of this Supplement (page 4-15.000-1) rather than repeating in each individual program.

A. Activities Allowed or Unallowed

The ISDEAA provides for the expenditure of funds by Indian tribes and tribal organizations under self-determination contracts for programs and activities previously provided by the BIA. The objective of the Indian School Equalization Program is to provide funding for elementary and secondary education.

II. PROGRAM PROCEDURES

The Office of Indian Education Programs makes direct payments to Federally Recognized Indian Tribal Governments or tribal organizations currently served by a Bureau of Indian Affairs (BIA) funded school. Funds may be used for the education of Indian children in BIA funded schools. Funds may not be used for construction.

Source of Governing Requirements

The program is authorized by the Indian Self-Determination and Education Assistance Act (ISDEAA), Pub. L. No. 93-638, as amended (25 USC 450 *et seq.*), Indian Education Amendments of 1978, Pub. L. No. 95-561 (25 USC 2001 *et seq.*), and Tribally Controlled Schools Act (25 USC 2501 *et seq.*).

1. Character Investigations by Indian Tribes and Tribal Organizations

Compliance Requirement - The Indian Child Protection and Family Violence Prevention Act (25 USC section 3201 *et seq.*) requires Indian tribes and tribal organizations that receive funds under the ISDEAA or the Tribally Controlled Schools Act to conduct an investigation of the character of each individual who is employed or is being considered for employment by such Indian tribe or tribal organization in a position that involves regular contact with, or control over, Indian children. The Act further states that the Indian tribe or tribal organization may employ individuals in those positions only if the individuals meet standards of character, no less stringent than those prescribed under subpart B - Minimum Standards of Character and Suitability for Employment (25 CFR part 63), as the Indian tribe or tribal organization establishes.

Audit Objective - Determine whether Indian tribes and tribal organizations are performing the required background character investigations of school employees.

Suggested Audit Procedures

- a. Obtain and review policies and procedures for the performance of background investigations.
- b. Perform tests of selected security and personnel files of employees occupying positions that have regular contact with or control over Indian children to verify:

- (1) A suitability determination was conducted by an appropriate adjudicating official who themselves were the subject of a favorable background investigation (25 CFR section 63.17(c)).
- (2) The background investigation covered the past five years of the individual's employment, education, etc. (25 CFR section 63.16(b)).
